2009 United Way of the Greater Triangle/
Give United Campaign Chairperson

The Chairman's Award Series is the highest recognition United Way of the Greater Triangle bestows upon select companies across Durham, Johnston, Orange and Wake counties for extraordinary success in supporting the community through an annual workplace campaign. As the 2009 United Way of the Greater Triangle/Give United Campaign Chairperson, I invite you to participate in this special recognition program. It's important to recognize companies and individuals who work to help the United Way of the Greater Triangle meet the growing health and human service needs across the region. We appreciate the work you put forth in your workplace campaign. Your efforts throughout your workplace and the region means United Way of the Greater Triangle is able to focus resources to do what matters most – create real, lasting change in the four basic building blocks for quality of life: education, income, health and safety.

Thanks to you,
