UNITED WAY
Greater Triangle

YOU CAN SUPPORT BOLD LOCAL SOLUTIONS

Your support will activate community-led solutions, trusted partnerships, and long-term impact across the Triangle.

Through community-based relationships, we identify organizations ready to scale their impact. Strategic investments and cross-sector partnerships help address urgent needs and drive lasting change throughout the region.

OPTIMIZING THE POWER OF COMMUNITY PARTNERSHIPS

Join us in advancing racial and economic justice in Durham, Johnston, Orange, and Wake counties in North Carolina.

WHAT WE DO

We invest in big ideas, convene the right partners, and amplify what works to drive lasting change across the Greater Triangle.

INVEST We strategically fund high-impact, community-led solutions in key areas, such as workforce development, housing stability, food access, healthcare, youth development, and emergency response.

CONVENE We bring together corporate partners, local governments, nonprofits, and community members to drive collective action on our region's most pressing challenges.

AMPLIFY We elevate the stories and successes of our community partners, using our platform to increase awareness, attract investment, and drive action.

HOW WE WORK

✓ EQUITY IN LEADERSHIP

Through 10 to Watch we deploy financial and training resources to amplify the voices and expand the reach of historically under-represented and under-resourced leaders.

✓ LEARNING LABS

Funding as well as skill-building, networking, and capacity-building programs for nonprofits.

✓ FUTURE OF WORK ACTION LAB

A collaborative effort with employers, nonprofits, and community leaders to build equitable career pathways, expand training and reskilling, and connect people with the support they need to thrive in a changing economy.

✓ IMPACT SERVICES

Providing operational support for corporations, municipalities, and nonprofits—managing grants, emergency funds, and fiscal sponsorships—so mission-driven organizations can serve communities more efficiently and equitably.
